Dear Mayor Lubawski,

On behalf of the World Council on City Data (WCCD), it is my pleasure to offer you and the City of Kielce congratulations on your significant achievement in becoming WCCD ISO 37120 Platinum Certified for 2017. This accomplishment underscores Kielce's stature as a truly global city, and – perhaps even more importantly – helps to secure a more sustainable, prosperous, resilient, smart and inclusive future.

Through the internationally recognized WCCD ISO 37120 Certification, the City of Kielce continues to be part of a global network of cities adopting a culture of data to drive a culture of innovation. It is only through the commitment and leadership of cities and municipalities like Kielce that we can continue building a global network of data driven cities.

Mayor Lubawski, once again, I am very pleased to welcome the City of Kielce as an active and key contributor to the WCCD global network, and thank you and your dedicated city staff for moving the sustainable development agenda forward so effectively.

Yours sincerely,

Dr. Patricia L. McCarney
